## Welcome To Bionova Lifesciences

Bionova Lifesciences is a biotech division of Pragati Biocare Pvt. Ltd., a progressive biotech company with diversified interests in marketing, manufacturing, research and development in areas of nutraceuticals, biotechnology, animal nutrition and biopharmaceuticals. Bionova is GMP certified nutraceutical manufacturing unit and is accredited by ISO 9001:2008 certificate. It is well equipped with all the modern facilities of manufacturing, intended for offering quality products within & outside India.

## OUR STRENGTHS

- We follow high standards of professionalism and business ethics
- Dedication & determination towards the quality of the products
- Striving continuously towards goodwill & improvements for the company

## OUR VISION

The company has a strong vision to become fully integrated application research oriented multinational company. In future we plan to establish a high technology API manufacturing unit, where

---

core objective will be manufacturing of those nutraceutical ingredients which otherwise are required to import in India.
