Welcome To Minova Life Sciences Private Limited

Founded in the year 2007, Minova Life Sciences Pvt. Ltd. is one of the leading companies in market. We are a sole proprietorship based firm. The head office of our business is located at Bengaluru, Karnataka. Our company holds immense experience in this domain and is involved in manufacturing of Terbimin Cream, Healthcare Medicine, Pharmaceutical Injection and Pharmaceutical Tablets.

Offered products come in safe packaging. At Minova Life Sciences our people are the most important assets. Through constant upgrading of knowledge, skills and emphasis on creative contribution, our employees are able to excel in every aspect of their work to realize their own potential. "We

value teamwork - working together to achieve common goals is the foundation of Minova's success” Minova Life Sciences strongly believes that real value can only be added by actually partnering customers to develop solutions which best meet the customer’s requirements. The Company has been internally evaluated on customer satisfaction and that is the most important metric for us. We understands that in today’s market customers have a choice, so it makes efforts to provide the best service to those who exercise their choice in us. Accordingly, Minova Life Sciences adopts a long term approach and invests appropriately.
